INTERNSHIPS

Full-Stack Intern

June 2025 – Aug 2025

INFINITO COMICS

- Revamped the **UI/UX** of the platform using **React** and **Tailwind CSS**, building modern, and **responsive** components.
- Developed a full-featured **Admin Portal** from scratch using the **MERN stack**, enabling efficient **content creation**, **timeline management**, and **moderation**.

PROJECTS

Fasal Maitri

- Built a **full-stack agri-tech web app (Fasal Maitri)** using **MERN Stack**, delivering multilingual (5+ languages) **voice-based agricultural assistance**, **plant recognition**, **localized news**, and **user profile management**.
- Designed an **AI-driven voice & vision pipeline** integrating **Whisper (STT)**, **Google Gemini (LLM + image analysis)**, **deep-translator**, **gTTS**, and **FFmpeg**, enabling **end-to-end speech → AI reasoning → speech responses** via **REST APIs** in a modular microservice architecture.

Uber Clone

- Developed a **full-stack application** with real-time location tracking and dynamic route rendering using the **Mapbox GL JS** and the **Mapbox Directions API**.
- Integrated **Geo-location** and **interactive map features**, allowing users to set **pick-up and drop-off points**, **calculate distances**, and **display estimated ride durations**.

POSITION OF RESPONSIBILITY

Technical Head

Aug 2025 – present

Microsoft Learn Student Ambassador's Chapter

- Led development of the **MLSAC-BVP** website as **Project Manager and Developer**, mentoring and coordinating a **60-member technical team**.
- Delivered **hands-on workshops** and **webinars** on **Git & GitHub**, **Python**, and **Java**, impacting **100+ students**.

Sponsorship Head / Deputy Secretary General

2024 – 2025

Horizon - DebSoc of BVCOE

- Spearheaded **sponsorship strategy** and **stakeholder outreach**, securing **3.25+ lakhs INR** in cash and voucher partnerships through **strategic PR** and **MOU negotiations**.

ACHIEVEMENTS

- **Winner of Code Jam Talks 2.0 - a DSA & CP Contest** among **60 participants**.
- **In Top 10** in the **AISS AI annual summer Hackathon** of **IIITD** amongst **300+ participants**.
- **Finalist in Clash of Codes v2.0 Hackathon**, ranking **top 20** among **250+ teams**.
- **Improved** competitive programming performance to a **1133 Codeforces max rating** in **1.5 months**.
